

ad notam LCD CO-SERIES

CO 15.0"

MIRROR IMAGE® is the engine that drives images through glass and mirror to deliver superb picture quality. All products are German made, custom-engineered, LCD technology. They are exclusively designed to overcome the unique challenges of operating in ventilation deprived environments and to allow easy and adjustable mounting. The unique optional magnet mounting system accompanying all products is distinctively designed to suit all particularized placements behind any glass surfaces.

When combined with MAGIC MIRROR®, MIRROR IMAGE® turns completely invisible when turned off. MIRROR IMAGE® technology is patent protected.

Like its archetypes, the CO LINE also has an integrated amplifier for loudspeakers connection and optional HDMI Input.

PRODUCT HIGHLIGHTS

- Flush fitted monitor
- Enhanced picture quality
- Low Voltage
- Doesn't require ventilation
- Sealed casing
- Ultra slim profile
- Magnetic mounting system allows for easy installation and removal (optional)
- LCD Technology
- Auto signal detection logic
- Optional RF remote control (no IR eye needed)
- DOG system architecture
- Adjustable mounting system for particularized placement
