

# Your personal assistant. For the perfect start to the day.

Smart Mirror – more than just a bathroom mirror. Smart Mirror is an intelligent mirror, a networked mirror, a lighted mirror. Truly a magical mirror. A mirror with sound. A mirror that shows you in your best light. A mirror that allows you to hear what you want to hear. And gives your desired information for the day so that you are prepared for everything. There is no better way to start the day. And there's no better way to end it in the evening.

Registering on our user portal enables you to manage all user profiles and apps of Smart Mirror. Simply connect Smart Mirror to Wi-Fi, go to the portal and enter the PIN provided with it, enter the model and country and choose a password. Done.
