GERMAN SMART MIRROR TECHNOLOGY

ad notam is a celebrated inventor, pioneer, and one of the leaders in smart glass and mirror technology. Our products are the integration of both: electronics, such as screens, lighting or other features and glass/mirror surfaces. ad notam acknowledges the equal importance of both elements and continues to develop new and exciting breakthroughs on both fronts. It is ad notam's philosophy that any product is only as good as it's elements, that's why ad notam is able to provide its demanding clientele with the most cutting-edge technology they deserve.
